The traditional International Harmonica Festival “(Oh), THIS HARMONICA” will take place on Saturday, 15 March 2025, at 19:00 in the Mokronog Cultural Centre as part of the Mokronog–Trebelno Municipality Festival.

This year’s concert is dedicated to ensembles. We therefore invite applications from harmonica players in ensembles with at least three members.

We also welcome applications from soloists, who will perform their musical pieces in an afternoon workshop. During the workshop, they will prepare a musical piece to perform together, as an ensemble, at the evening concert.

The programme for the evening concert will be curated by the Festival Programme Committee. In the event of a large number of applicants, each group will perform one piece.
